

Temporary Road Closure required for East Sir Francis Drake Blvd between Highway 101 and Larkspur Landing Circle Central Marin Ferry Connection Project

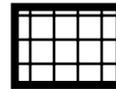

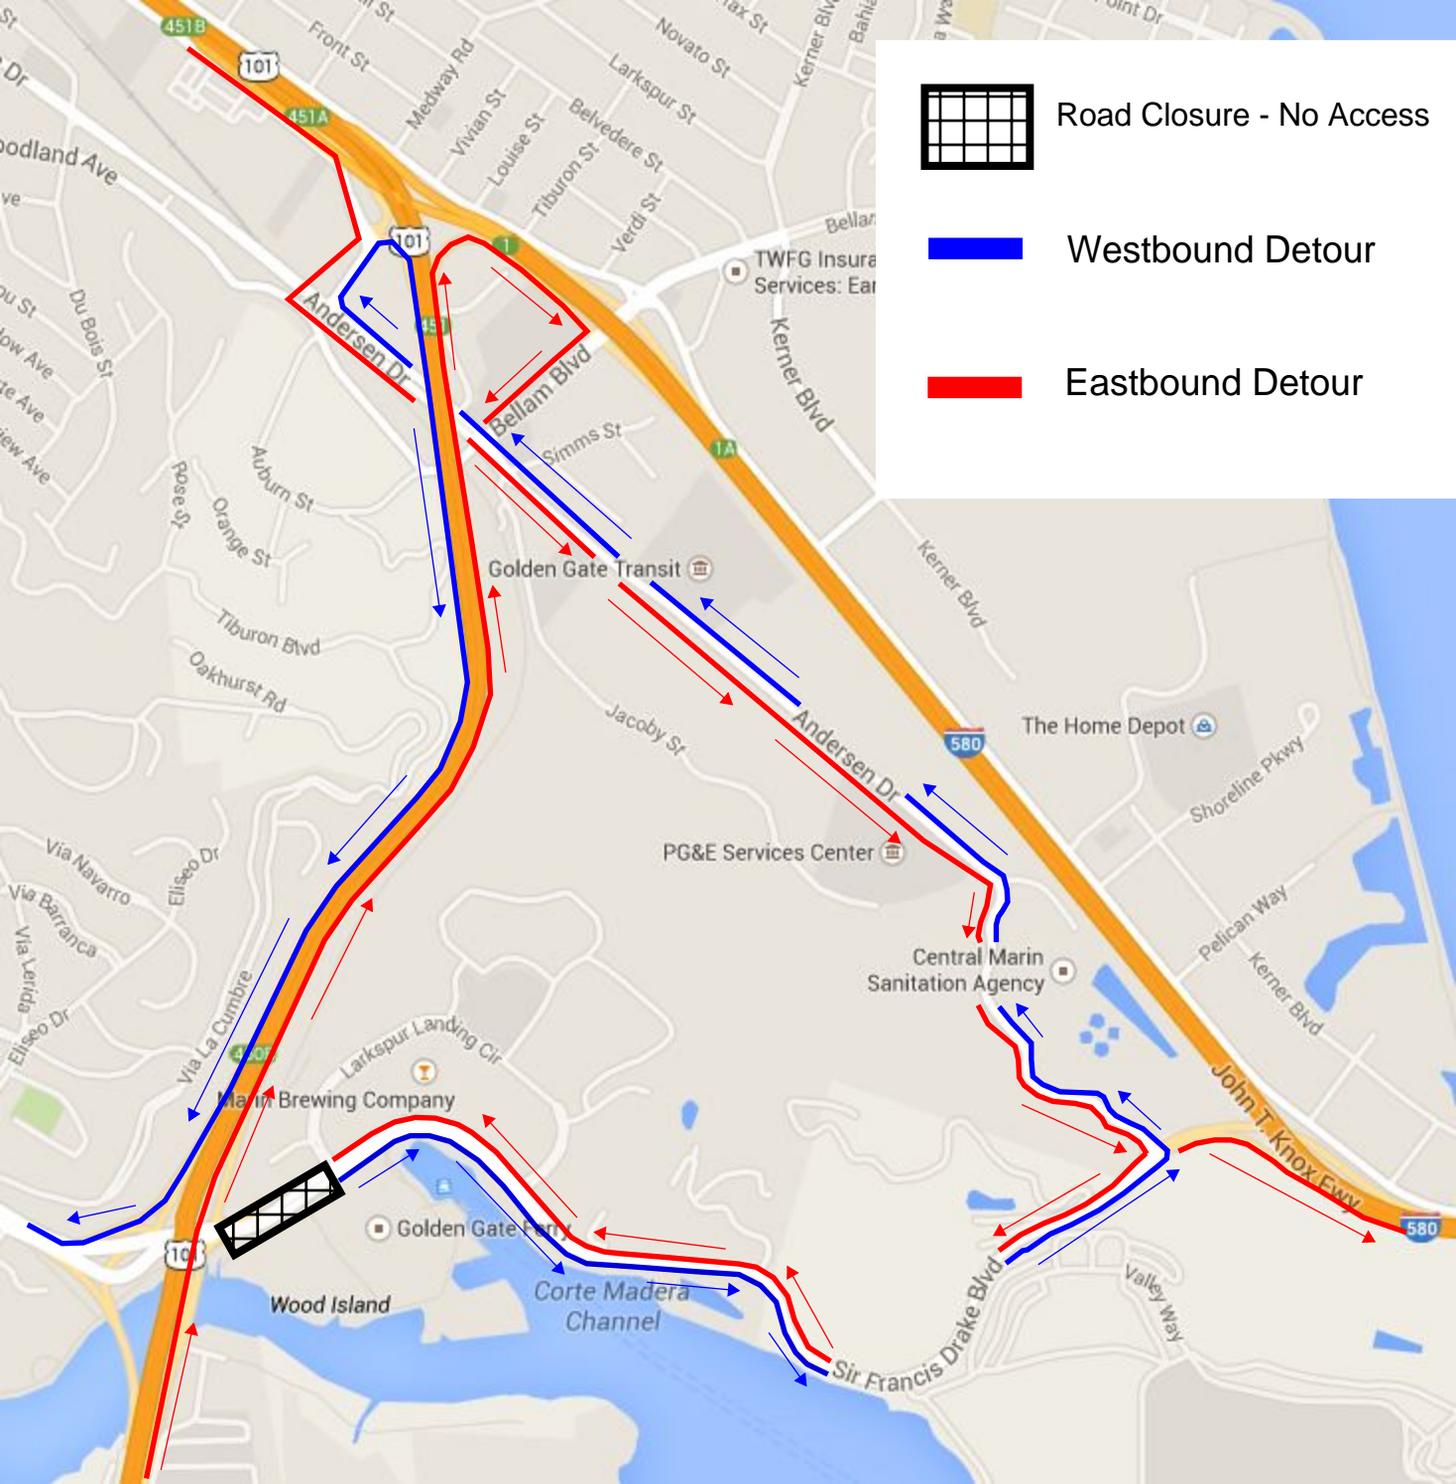

- East Sir Francis Drake Blvd (ESFD) **will be closed for two nights** due to bridge construction.
- The closure will be between Highway 101 and western end of Larkspur Landing Circle
- **Westbound direction will be closed** Thursday Mar 26th at 10:30pm
- Westbound direction re-opens Friday March 27th at 4:30am
- **Both directions will be closed on** Friday Mar 27th at 10:30pm
- Both directions re-open Saturday March 28th at 6:00am
- Detours will be as follows, see map on reverse side:

Westbound ESFD Detour: The westbound detour signage and message boards will direct all ESFD Blvd traffic to Anderson Drive. Continue north on Andersen Drive for 1.5 miles to Francisco Blvd West. Turn right onto Francisco Blvd W, and merge on Hwy 101 South. Continue on Hwy 101 South for 1.1 miles to get to the East Sir Francis Drake Blvd Exit. You may continue west on ESFD Blvd from this point.

Eastbound ESFD Detour:

- Traffic traveling north on Hwy 101 wanting to travel east on ESFD Blvd will be directed via detour signs to continue North on Hwy 101 for 1.2 miles to the Richmond Bridge/Francisco Blvd Exit. From there, turn right onto Bellam Blvd, and continue on Bellam Blvd for 0.2 miles to Andersen Drive. Turn left on Andersen Drive and continue south on Andersen for 1.2 miles to East Sir Francis Drake Blvd. From here you can turn left to get to Hwy 580, or, turn right to continue on ESFD Blvd to residences, Larkspur Landing Country Mart, or the Golden Gate Bridge Ferry terminal.
- Traffic traveling on southbound Hwy 101 wanting to travel east on ESFD Blvd will be directed via detour signs to exit Hwy 101 at the Andersen Drive / Francisco Blvd Exit. Continue on Francisco Blvd W for 500 feet to Andersen Drive. Turn left on Andersen Drive and continue south for 1.5 miles to get to ESFD Blvd. Turn left to get on Hwy 580 east.

While every attempt will be made to minimize this inconvenience, additional travel time should be anticipated. We appreciate your patience and cooperation during this work. For additional information, please visit the project's website at www.marinferryconnection.com.

Road Closure - No Access
