

# MARIN COUNTY PARKS

Preservation • Recreation

November, 2015

Dear Greenbrae Neighbor,

**MARIN COUNTY**  
**PARKS**  
PRESERVATION • RECREATION

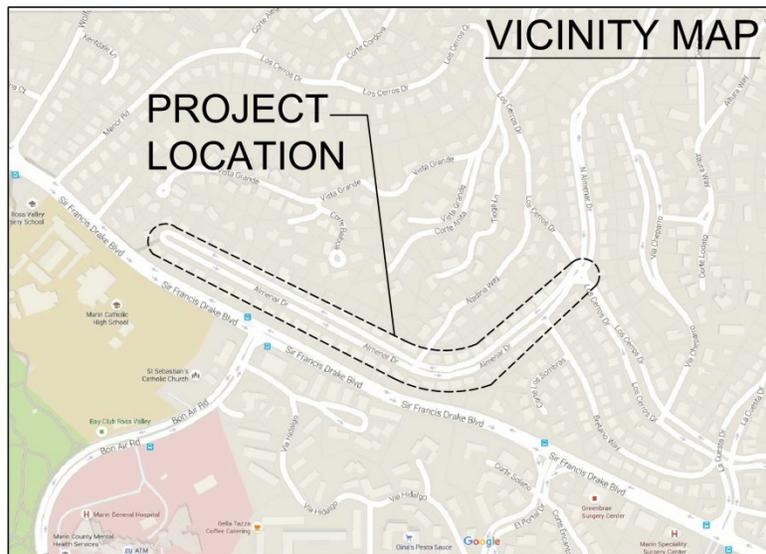

- OPEN SPACE DISTRICT
- REGIONAL PARKS & PATHWAYS
- COMMUNITY PARKS
- LANDSCAPE SERVICES

The Almenar Median Planting project construction is planned to start November 16, 2015 and run through January, 2016. No work will occur on Thanksgiving Day, Christmas Eve, Christmas Day, New Year's Eve, or New Year's Day. Following construction, there is a 6 month maintenance period for the project.

The project scope occurs within the two long medians along Almenar Drive, west of Los Cerros Drive (see project location map below). The work includes irrigation infrastructure, limited planting, limited pruning, and limited mulching. One of the main goals of the project is to plant within exposed areas to increase privacy.

There will be minor impacts to traffic related to the project resulting from a truck parked on Almenar Drive for staging. The location of the parked truck will change from day to day. At all times, an 8 foot wide traffic lane will be maintained; street parking may be impacted on a limited basis. The contractor will maintain signs and barricades. Marin County Parks will post project signs near the intersections of Los Cerros Drive and Almenar Drive and Nadina Way and Almenar Drive.
